

GTECH G2 Leaders Share Insights and Information at iGaming Super Show

Leading sports betting, lottery, poker, bingo, casino, side games and back end systems provider to sponsor conference VIP facilities

21-05-2010 (London, UK) – Thought leaders from GTECH G2, including new President Paulo Personeni, will be speaking at the iGaming Super Show in Prague next week. GTECH G2, the igaming division of lottery giant GTECH, is also sponsoring the VIP Lounge for CEOs and senior executives attending the conference.

Paulo Personeni will participate in a panel of top CEOs from the igaming industry who will share their predictions for the short, medium and long term future of igaming. President since March when Atul Bali stepped down, and Deputy President since 2009, Personeni is responsible for managing GTECH G2, from setting product design and development guidelines to defining commercial priorities and identifying and proposing strategic options.

William Scott, GTECH G2's Vice President Strategic Business Development joins experts explaining how to structure a company if buy-out is a potential exit strategy.

It is becoming increasingly important to provide unique and innovative games to attract customers. **Dominic Mansour**, Head of Casino and Games at GTECH G2 joins a panel to discuss "Product-Lead Strategies".

Following the two debates about European and British igaming regulations that the software and systems provider has hosted for igaming executives in London, **Leigh Nissim**, Commercial Director at GTECH G2 will take part in a panel discussing how legal reform and prospective changes in a number of member states (France, Italy, Denmark, UK) are altering the shape of the pan European market.

GTECH G2 will sponsor the **VIP Lounge** at the iGaming Super Show which has been incorporated to attract top executives to the conference. Special benefits for VIPs include private networking sessions with other CEOs and senior industry figures, access to the VIP Zone lounge at the exhibition, 24 hour concierge service and special VIP-only conference sessions.

GTECH G2 is the igaming division of global lottery supplier GTECH and combines the expertise of Boss Media, Finsoft, St Minver and Dynamite Idea.
